AT A NOISE WITHIN REPERTORY THEATRE IN GLENDALE**

July 6 – August 8, 2009

Registration Extended

A Noise Within, the highly regarded repertory theatre company and a leading force in arts education, presents SUMMER WITH SHAKESPEARE, an intensive summer program for ages 10 to 18 on acting, improvisation, voice, speech, movement technique, mask technique, textual analysis, and stage combat. "Summer With Shakespeare" culminates in a presentation of scenes from the plays of William Shakespeare. The five-week, Mon-Wed-Fri sessions led by professional faculty run from July 6 to August 8, 2009. "SORCERERS, SPECTRES and the SUPERNATURAL" is this year's theme, and the selections focus on the wide range of Shakespeare's otherworldly characters -- ghosts, witches, sorcerers, sprites and supernatural forms.

Two registration options are available: The Full Day: 10am -4pm (\$750) and Summer School Special: 1pm -4pm (\$600). Registration has been extended through July 3, 2009.

Classes take place at A NOISE WITHIN, located at 234 South Brand Boulevard, Glendale, CA 91204.
