A NOISE WITHIN'S PROFESSIONAL DEVELOPMENT FOR TEACHERS

Shakespeare Within!

2 LAUSD SALARY POINTS!

Shakespeare Within is an opportunity for teachers to re-energize their educational practices to promote a love of Shakespeare in the classroom, taking their teaching techniques to a new and exciting level. In hands-on sessions, A Noise Within teaching artists will lead a series of workshops that will get teachers out from behind the desk and on their feet, and guide the process of designing new lessons that pair textual analysis with other subjects. These include fun, acting-based games and exercises, costume design, set design, and technology integration. This course is designed for those wishing to expand their knowledge of Shakespeare, as well as those for whom Shakespeare is relatively new.
