

Spotlight on Gifts from Your IRA

THIS GIFT IN FOCUS

By act of Congress, the Consolidated Appropriations Act of 2016 made permanent qualified charitable distributions (QCDs) from individual retirement accounts. This means that, if you are at least 70½ years old, you can have up to \$100,000 transferred to *A Noise Within* every year and reduce your taxes while ensuring your legacy through this gift.

WHY DONATE AN IRA?

If you qualify to donate a distribution from your IRA to charity, you will receive several benefits when you make this gift to *A Noise Within*:

- You can satisfy your minimum distribution requirement without it being taxed as part of your adjusted gross income.
- You will become part of our Bard's Circle and receive exclusive opportunities for receptions, updates and special performance invitations.
- You will be assured that your legacy with *A Noise Within* will live on through our performances and programming of classical drama.

HOW A NOISE WITHIN BENEFITS

Your gift of a distribution from your IRA comes to *A Noise Within* tax-free so we receive the full amount of the distribution you choose to contribute. You may designate this money for a specific program or instruct us to use it toward the greatest need. Whichever way you choose, you will be confident that you are investing in the continuation of the important work of the theatre.
