

# Spotlight on Gifts of Life Insurance

## THIS GIFT IN FOCUS

Giving a gift of life insurance is as easy as naming A Noise Within as a beneficiary of your life insurance policy. Whether you choose to name us a full or partial beneficiary, you will be giving a substantial gift at low out-of-pocket costs. Additionally, the insurance premiums you pay to fund the insurance policy (or a proportional amount covering the value designated to A Noise Within) are tax deductible. Or, if you choose, you can name us the owner and beneficiary of the policy and report the fair market value or the amount you paid in premiums (whichever is less) as a contribution on your income taxes. Either way, a gift of life insurance may be a terrific way to make a donation at little or no cost to you.

## WHY DONATE YOUR LIFE INSURANCE POLICY?

By naming A Noise Within the beneficiary of your life insurance policy, you will receive several benefits:

- Your yearly premiums (or a portion if you name us as partial beneficiary) are tax deductible, or if you donate the full policy to A Noise Within, you will no longer be obligated to pay the premiums and can deduct the full value of the policy from your income taxes.
- You will become part of our Bard's Circle and receive exclusive opportunities for receptions, updates and special performance invitations.
- You will be assured that your legacy with A Noise Within will live on through our performances and programming of classical drama.

## HOW A NOISE WITHIN BENEFITS

Your gift of life insurance can provide A Noise Within with immediate benefits, or be used to continue your legacy towards our organization that will continue beyond your lifetime. By naming us the owner and/or beneficiary of a policy, the proceeds from the policy can be used to fund our programs for years to come. You may designate this money for a specific program or instruct us to use it toward the greatest need. Whichever way you choose, you will be confident that you are investing in the continuation of the important work of the theatre.
