## AUNT ESTER

Take a look at this map, Mr. Citizen. See that right there...that's a city. It's only a half mile by a half mile but that's a city. It's made of bones. Pearly white bones. All the buildings and everything is made of bones. I seen it. I been there, Mr. Citizen. My mother live there. I got an aunt and three uncles live down there in that city made of bones. You want to go there, Mr. Citizen? I can take you there if you want to go. That's the center of the world. In time it will all come to light. The people made a kingdom out of nothing. They were the people that didn't make it across the water. They sat down right there. They say, "Let's make a kingdom. Let's make a city of bones." The people got a burning tongue, Mr. Citizen. Their mouths are on fire with song. That water can't put it out. That song is powerful. It rise up and come across the water. Ten thousand tongues and ten thousand chariots coming across the water. They on their way, Mr. Citizen. They coming across the water. Ten thousand hands and feet coming across the water. They on their way. I came across that ocean, Mr. Citizen. I cried. I had lost everything. Everything I had ever known in this life I lost that. I cried a ocean of tears. Did you ever lose anything like that, Mr. Citizen? Where you so lost the only thing that can guide you is the stars. That's all I had left. Everything I had ever known was gone to me. The only thing I had was the stars. I say well I got something. I wanted to hold onto them so I started naming them. I named them after my children. I say there go Cephus and that's Jasper and that's Cecilia, and that big one over there that's Junebug. You ever look at the stars Mr. Citizen? I bet you seen my Junebug and didn't even know it. You come by here sometime when the stars are out and I'll show you my Junebug. You come by anytime you want.
